

About Conference

4th International Conference on Communication and Electronics Systems (ICCES 2019) is being organized on July 17-19, 2019. ICCES will provide an outstanding international forum for sharing knowledge and results in all fields of Engineering and Technology. ICCES provides quality key experts who provide an opportunity in bringing up innovative ideas. Recent updates in the in the field of technology will be a platform for the upcoming researchers. The conference will be Complete, Concise, Clear and Cohesive in terms of research related to Communication and Electronics systems. For student grants contact conference chair. All submitted papers will be peer reviewed. Accepted papers will be submitted for inclusion into IEEE Xplore. Both academic world and industries are invited to present their papers dealing with state-of-art research and future developments.

About PPG Group of Institution

In Coimbatore, the City famous for its Hospitality and Culture, P.Perichi Gounder Memorial Education and Charitable Trust (PPG Trust), a renowned, benevolent, Charitable, educational trust was established in the year 1992 by Dr. L. About ECE Department

The vision of the department is to strive continuously for the excellence in education, research and technological service to the nation in the area of Electronics and Communication.

To provide quality education through effective teaching- learning process that equips the students with adequate knowledge in fundamentals as well as in emerging technologies of Electronics and Communication Engineering for a successful career.

Call for Paper

Informatics

- Coding Techniques for 3G & 4G
- UWB Systems
- Digital Multimedia Systems
- Airborne Vehicle Communication
- Antenna Systems
- Signal & Image Processing
- Telemetry & Tele Command Systems
- Optical Communication
- Satellite Technology
- Earth Station Systems & Technology
- Wireless Networks
- Spectrum Management
- Cognitive Radio Design
- Millimeter Wave Technology
- Telecom Management
- Underwater Communication
- Biomedical Signal Processing
- Wavelets & Applications
- Multi Carrier Modulation
- MIMO Systems
- Microwave Systems

- Electromagnetics Engineering
- Bio-Computation Techniques
- Cryptography
- Switching

Electronics

- Reconfigurable Systems
- Analog/Digital/Mixed-Signal Circuits
- VLSI For DSP
- Biomedical Applications
- ASIC & SOC
- CAD For VLSI
- RF Circuit Design
- Bio-MEMS/NEMS
- MMIC & CMOS Circuits
- Nano-Fabrication & Computing
- Materials for Electronics
- Integration if Electronic Systems
- Instrumentation For Communication
- Biomedical Sensors & Instrumentation
- Embedded Systems
- Industrial Instrumentation
- Industrial Electronics
- Power Electronics
- Opto Electronics
- Nano Electronics

Machine Learning and Optimization

- Artificial Intelligence
- Big Data Analysis, Security Issues in Big Data
- Cloud / Grid / Distributed Computing
- Cognitive Science
- Pattern Recognition
- Swarm Intelligence
- Ant Colony Optimization

Committee

Chief Patron

Dr. R. Prakasam, Principal, PPG Institute of Technology, Coimbatore.

Conference Chair

Dr. V. Bindhu, Professor and Head, ECE, PPG Institute of Technology, Coimbatore, India.

Speaker

Dr. D. Nirmal, Chair-IEEE ED Coimbatore Chapter

Associate Professor

Department of Electronics and Communication,

Karunya University, Coimbatore, Tamil Nadu, India.

Publication and Indexing

IEEE Xplore

Accepted papers will be submitted for inclusion into IEEE Xplore.

The IEEE provides SCOPUS with all of the IEEE Xplore digital library content so that the bibliographic information (what is seen on an abstract page in IEEE Xplore, including the abstract) can be made visible. While we do provide them with all of our content, it is not our policy to determine what Scopus will or will not index.

Registration Details

Category	IEEE Member	Non IEEE Member
Indian Authors - Students (UG /PG), Research Scholars	INR. 6000	INR. 6500
Foreign Authors	400 USD	450 USD
Listener – Indian	INR 3000	INR 3000
Listener - Foreigner	300 USD	300 USD
